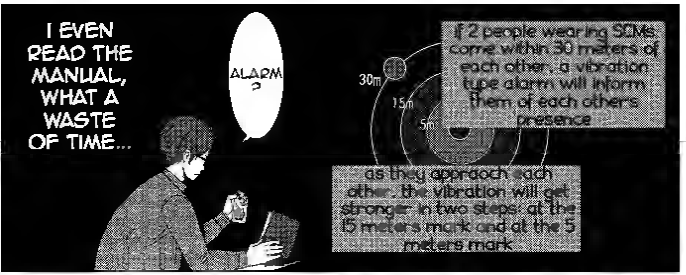
IT WAS TRENDING IN THE DARK WEB, SO I GOT ONE TO TRY IT OUT
do you have 10 upper teeth?
play games with other scm users
the game itself doesn't matter
the winner becomes the master, the loser becomes the slave
JUST BY PUTTING IT OVER YOUR TEETH YOU CAN ENSLAVE OTHER PEOPLE
(SCM) SLAVE CONTROL METHOD

people who become slaves must obey their masters



I EVEN READ THE MANUAL, WHAT A WASTE OF TIME...
ALARM ?
If 2 people wearing SCMs come within 30 meters of each other, a vibration type alarm will inform them of each other's presence
30m
15m
5m
as they approach each other, the vibration will get stronger in two steps: at the 15 meter's mark and at the 5 meters mark

YOU SURE ABOUT THIS? IT'S KIND OF EXPENSIVE, ISN'T IT?
I WON BIG AT THE SLOTS TODAY, SO WE'RE GONNA LIVE IT UP!!
